SKILLS

- Core Skills: JavaScript, TypeScript, Node.js, API design,
- Databases: MySQL, MongoDB, Redis
- Frameworks & Tools: Express.js, Docker, Git

WORK EXPERIENCE

Dubz: *Back-End developer (part time)*   Oct 2024 – Present
- Optimized APIs by implementing caching strategies and refactoring database queries, improving request handling speed by 15%.
- Integrated Docker for containerized development by creating multi-stage Dockerfiles and automating CI/CD pipelines, reducing deployment times by 30%.

Career Break : Professional development   *Feb* 2021 – Oct 2024
- Focused on completing a B.S. in Computer Engineering and gained proficiency in back-end development. through personal projects and online courses. Completed certifications in Node.js and advanced back-end technologies.

Arya Tehran institute: Junior *Back-End Developer* (part time)   Sep 2019 – Feb 2021
- Designed and developed two e-commerce websites using Express.js and MongoDB, implementing responsive UI and optimized database queries, driving a 25% increase in online sales.
- Developed a suite of task management and inventory tracking applications using JavaScript, improving efficiency by 20% and deepening knowledge of core principles like event-driven programming. Source

Arya Tehran institute: *Back-End developer (internship)*   Feb 2019 – Sep 2019
- Acquired foundational skills in back-end web development through hands-on projects in Node.js and Express.js, focusing on building RESTful APIs.
- Gained expertise in MySQL and MongoDB for database management and API development, creating efficient, scalable database schemas.
- Improved problem-solving and analytical skills by debugging code and optimizing API performance, resulting in faster response times and better user experience.
- Increased site page speed by 20% by optimizing image loading, minifying JavaScript, and leveraging browser caching, raising the GTmetrix rating from B to A.

License & Certificates

- **Explore Web Development with Node.js**   LinkedIn Learning
- **Advance your Node.js Skills**   LinkedIn Learning
- **Essential New Skills in Software Engineering**   LinkedIn Learning

EDUCATION

Islamic Azad University, Science and Research Branch   Sep 2024 – Present
Master's degree , Computer Software Engineering
Islamic Azad University, Science and Research Branch   August 2019 – May 2023
B.S. Computer Engineering

PROJECTS

- **Online Shop :** Express.js , MongoDB, Passport.js, Javascript, Bootstrap [Source Code](#)
- **Thingz App API :** Express.js, Docker, Typescript , Zod , MongoDb, Winston, Swagger, TailwindCss [Source Code](#)
- **Scribble App :** Express.js, Docker, Typescript, Zod, MySQL, Sequelize, Winston, Swagger [Source Code](#)
- **cli doc master** [source](#)
